MUSICAL AND DRAMATIC.

The City Amusements. AT THE ACADEMY OF MUSIC the Richings English Opera Company will appear this evening in Balle's opera of The Rose of Castile,
AT THE WALNUT Mr. John Brougham will appear this evening as "Terry the Swell" in The Lottery of

Life.
At the Arch Lotta will appear this evening as "Pepina" and "Myrtie Myddleton" in her new drama of Pepina.

To-morrow evening Mrs. Drew and Lotta will de-tote the proceeds of the performance to the aid of the Cuban patriots,

AT THE THEATRE COMIQUE two new pieces have been produced this week, a comic opera by G. A Macferran, entitled Jessie Lea, and Les Deux Avengics by Offenbach. The first of these pieces is well constructed, and is full of pleasant melodies. All the music in it is good, but it lacks that peculiar animation and vivacity that make Offenbach's pieces so attractive. Les Deux Avengles, or, the Two Bind Beggars scarcely rises even to the dignity of a farce; it is simply a very laughable musical sketch, full of lively and grotesque nirs, and affording opportunity for some funny acting. These pieces will be repeated AT THE AMERICAN the Dashwood sisters, Harry

Gilbert, the eight premiere dancers, and a great num-ber of talented artists will appear this evening. THE NEW YORK CIRCUS, under the management of L. B. Lent, will open on Monday next on Eighth street, above Race, for a season of two weeks. This circus is the largest and best organized in the country, and the management promise that their next the country, and the management promise that their next their country and the management promise that try, and the management promise that their per-formances shall be given in a style seldom attempted

in this part of the country.

THE SENTZ-HASSLER ORCHESTRA WILL PERform for the last time this season at Musical Fund Hall on Saturday afternoon. A SACRED CONCERT will be given at St. Augustine's

Church, on Fourth street, below Vine, to-morrow evening, on the occasion of the opening of the new organ. Mr. Henry Thunder and Master Robert Winterbottom will perform a choice programme of classical music.

The Chesnut Street Rink is now open overy day,

from S.A. M. to 10½ P. M., as a velocipedrome.

JOHN B. GOUGH, ESQ., will lecture on "Temperance" to-morrow evening, at the Chesnut Street
Rink, under the auspices of the Young Men's Chris-SUNDAY SCHOOL MUSIC.-By particular request

Sunday School, Music.—By particular request the Sabbath School of the Green Hill Presbyterian Church will repeat on Friday evening, May 7, 1869, the musical portion of the exercises of its recent anniversaries, viz.; the third anniversary of the Youth's Missionary Society, held last Friday evening, and the twenty-third anniversary of the Sabbath School, held last Sabbath afternoon. The decorations are on a grand scale, consisting of a beautiful combination of flowers, evergreens, and banners, surmounted with Illuminated jets. This school has gained quite a reputation for its singing, and assisted as they will be on this occasion by a portion of the Germania Orchestra, it will be a rare treat to all lovers of Sab-Orchestra, it will be a rare treat to all lovers of Sab-bath School music. WHAT IS A TONIC ?-Bear this in mend-that although a tonic is, to a certain extent, a stimulant -a stimulant, an modified by any medicinal substances, is not a tonic, but A DEBILITANT. In HOSTETTER'S STOMACH BITTERS there is a stimulating element of the purest grade manufac tured in this or any other country. Every fiery and corro sive oil or acid which contaminates the ordinary liquors of commerce, is expelled from the rye spirit which forms the alcoholic basis of the BITTERS, by careful and repeated rectification. The juices of the valuable roots, barks, and herbs infused into this wholesome product of the finest grain, still further modify its nature; so that it becomes, in fact, a simple diffusive agent, minus all the heady and brain exciting properties which belong, more or less, to all liquors in a raw state. It is merely the safe and harmless vehicle which renders the medicinal virtues of the preparation effective-increasing their active power, and diffusing them through the system. Hence the pleasant and gentle glow which is experienced after taking a dose of the BITTERS. Instead of creating headache, as unmedicated stimulants are apt to do, this salubrious tonic is the best known remedy for that complaint. It calms and soothes cerebral excitement, strengthens the nerves, promotes the secretion of the gastric juice, invigorates the bowels, determines the fluids to the surface, improves the appetite, increases the animal vigor, regulates organic action, and, from its mild yet effective alterative qualities, is the very best preparation that can be administered to the weaker sex in the peculiar difficulties to which their or ganization subjects them.

SAFE MUSIC. The pleasant little woodland warblers sing On every tree the sweet return of spring; Away from haunts of men they feel secure. And waste their music where the air is pure. To be secure where human bipeds roam, We use a kind of iron labelled "Chrome," Propared in globules of a monstrous size, Within whose sides a spacious cavern lies; An opening small admits your precious store Locked fast by one inexorable door; Thus we have one of Marvin's Safes, designed To baffle thieves and benefit mankind: A safe you might from high Olympus throw And neither bend nor break it by the blow ; In other forms that furious flames resist-All styles and sizes are on Marvin's list. For sale by No. 721 Chesnut street (Masonic Hall).
